# Message from the Chief:

It is with great pride and gratitude that I present the 2025 Annual Report for the Mad River Township Fire & EMS Department. This report summarizes the accomplishments, activities, and responses of the department, making 2025 another highly successful year.

The department responded to over 2000 calls for service in 2025, which was an increase from 2024. Each response required professionalism, courage, and the utmost commitment to public safety and well-being.

Each member strives to provide the best service possible to the citizens of Mad River Township & The Village of Enon. This year the members completed well over 1673 hours of training. These members are devoted and committed to making Mad River Township Fire & EMS Department successful.

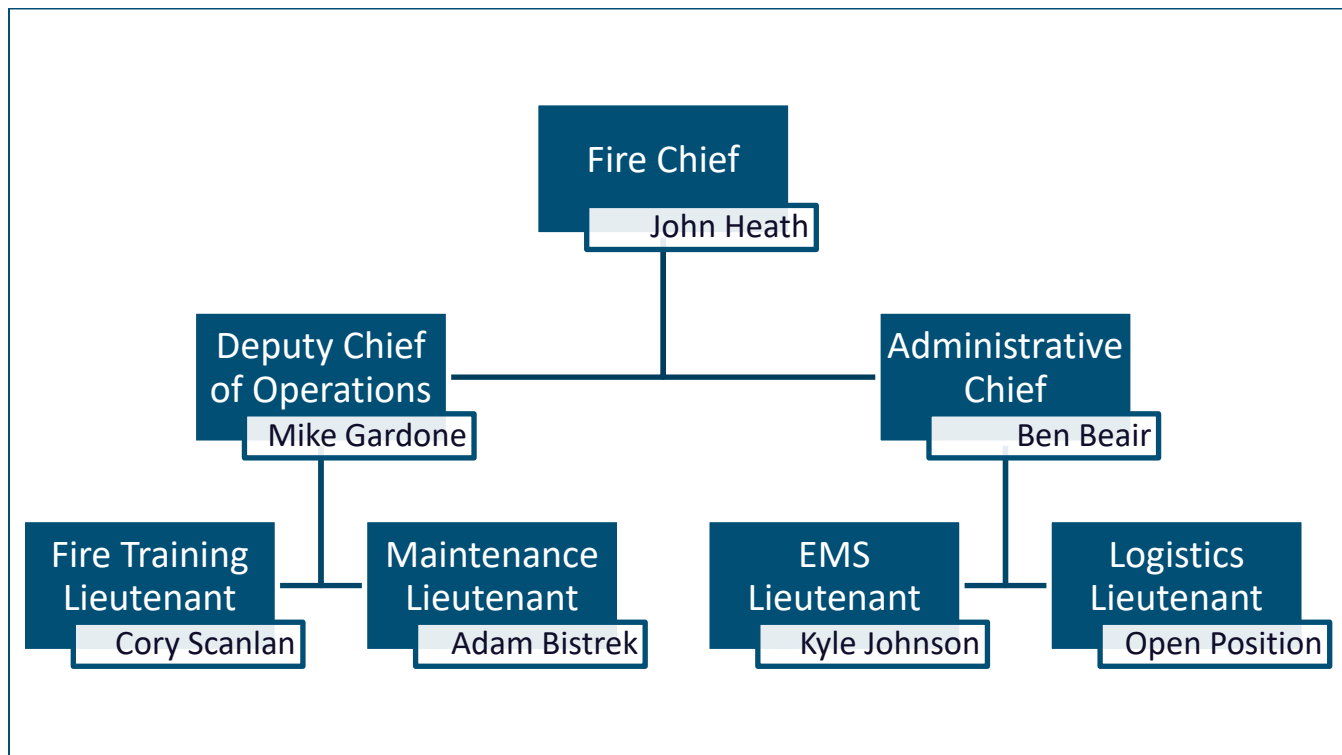

I would like to personally thank the Mad River Township Trustees again for their support and confidence in the department. Their continuous support helps drive us towards future progression by being one of the finest departments in our area.

Lastly, none of this would be possible without the gracious support of our community partners and the residents we serve. Thank you for having trust in us to serve and protect your community and families, it has been and always be a pleasure to do so.

Sincerely,

John D. Heath  
Fire Chief  
Mad River Township Fire & EMS Department
